3. Confirmation Letter: A letter is sent to applicants confirming that their household was placed on the waitlist.

4. Updates: You must notify the leasing office of any changes to your: income, address, or household composition. If you need to change the size of the unit originally requested; you must reapply and the application will be treated as new.
5. Waitlist Refresh: Waitlists are updated every (6) months, with correspondence. If you do not respond to our letter you will be removed from the waitlist.

Note: Once a household is placed on the waitlist it is not possible to predict a timeline as to when a unit that meets that particular household's housing needs will become available.

• **Selection:** When a unit becomes vacant, applicant selection will be based on unit size, income listed on your preliminary application, the property's established preferences and income-targeting requirements. Applicants must be next on the waitlist for the specific bedroom size and income level of the available unit to be considered. *Note: Current residents of **Laurel Oaks Apartments** will be given priority over applicants on the waitlist.*

If you are contacted regarding an available unit and invited to begin the application process, you have two (2) business days to respond to the leasing office. If no response is received within this timeframe you will be removed from the waitlist and the next eligible applicant will be contacted.

If you are removed from the waitlist but wish to reapply, you may submit a new preliminary application. Please contact the leasing office to inquire about unit availability at that time.

A credit screening will be conducted through National Tenant Network (NTN). A minimum combined household NTN score of 70 or higher is required for further consideration. 1. Cosigner has an NTN score of 76 or higher.
2. Cosigner has verifiable gross monthly income of at least (3) times the monthly rent.

A \$50 non-refundable application fee is required for each cosigner. All required cosigner documentation must be submitted within two (2) business days or the application will be canceled. Note: A cosigner assumes full financial responsibility if the leaseholder fails to pay their rent. The cosigner remains responsible for the lease throughout the duration of residency or until the lease is terminated and the unit is vacated.

Additional Considerations: Evictions, past judgments, defaults or a history of poor payment may result in application denial unless all financial obligations have been satisfied and can be verified.

Once credit screening is successfully completed, all household members aged 18 and older will receive a Conditional Offer Notice and must then complete the New Jersey Supplemental Application.

• **Pet Policy:** This is a no-pet community. Service animals are permitted with valid medical documentation (subject to verification).

• **Special Needs Set-Aside Units:** (5) units are reserved for applicants with special needs referred by a contracted supportive housing agency within Ocean County. Specific to the special needs set aside units; exceptions may be considered related to the credit screening criteria. All other eligibility and program requirements remain applicable.
